## General Information

### Pay Attention

when you see this icon. It could make the difference between winning an award and having your entry disqualified.

New Jersey Press Association's Photo Contest encourages excellence by recognizing the achievements of NJPA member newspapers and digital news organizations. The contest looks to the future by encouraging news organizations to find new ways to inform, entertain, enlighten and engage their readers.

### Eligibility

This competition is open to newspapers and digital news organizations that are full members of New Jersey Press Association whose dues and assessments are paid in full through December 31, 2019.

### Contest Period

January 1, 2019 to December 31, 2019

### Deadline

Friday, January 10, 2020

The contest website will accept all other entries until 11:59 p.m.

### Judging

Entries will be judged according to the guidelines set forth in the category listings and rules. Judges who are independent of the New Jersey Press Association will select First, Second and Third place winners in each category. Awards will be granted only when judges believe that special recognition is warranted. In categories that receive fewer than four entries, the association encourages judges to award prizes only if the entries merit them.

### Awards Presentation

Winners will receive their awards at NJPA's Spring Awards Celebration on Thursday, April 23 at The Hamilton Manor, 30 Route 156, Hamilton, N.J.

### Entry Criteria

All entries must have been published in print or digitally between January 1, 2019 and December 31, 2019. Photos must be the product of 2019.

**REMINDER! - The photography contest WILL BE COMBINED - Daily and Weekly entries will be judged together.**

Each individual photo or "picture story" may only be entered in one category. However, picture stories may include individual photos that have been entered in other categories.

A "picture story" consists of a minimum of three photos and a maximum of 15 photos.

The Portfolio category is intended to show a mix of the photographer's body of work. Photographs entered in other categories can be entered as part of the Portfolio category. The images do not need to be related to each other. Maximum size requirement for 21 images is 8-10 mb.

All photo entries must be in JPEG format. See the "Preparing your entries" section for the specific settings and file information required.

All entries will be examined by the committee prior to judging. Those that do not comply with these rules will be disqualified. If a newspaper's entries exceed the stated number for the contest, the association staff reserves the right to eliminate the excess at its discretion.

### Group weekly newspapers

Group weeklies must submit each entry under the name of an individual newspaper, not under the name of the group. In addition, they must submit a master entry form that totals their entire group's submissions.

## Contest Instructions

New Jersey Press Association's Photo Contest is digital.

All photo entries are submitted on the contest website:

For best results, the contest website recommends using the most recent version of Mozilla Firefox to make your contest entries.

### Reminders for this year's contest

Each person submitting entries will have a unique username and password.

The "Contestant Manager" controls what is entered in a contest for your newspaper or website.

- **IMPORTANT:** The first person who logs into the contest and makes two entries becomes your Contestant Manager. (These first two entries may be test entries that are deleted after other entries are submitted.)
- NJPA has 4 contests: Advertising, Editorial Daily, Editorial Weekly, and Photography. The Contestant Manager can choose to make entries exclusively or authorize others to make entries. To allow others to make entries, the Contestant Manager must create a separate account for each person.
- The Contestant Manager has access to all entries submitted to a contest for your newspaper or website, and can edit, disable or delete any entry.
- The Contestant Manager can access account information and passwords for every person he/she authorizes to make entries.

We recommend your newspaper designate one person as the Contestant Manager. This is the person we will contact if there are problems with any of your contest entries.

### Authorized Entrant

Each person the Contestant Manager gives permission to make entries is an "Authorized Entrant".

- While the Contestant Manager can see and edit all of the entries and account information, the Authorized Entrant only can see and edit the entries he/she made.

Potential contestants can save their work on the contest website in their own Scrapbook accounts. Scrapbooks are personal. They are not connected with a particular contest, but are available for any contest.

- For this contest, once a potential contestant has been made an Authorized Entrant, he/she can upload content from his/her Scrapbook directly into an entry.

### Start early and become familiar with the process!

## Contest definitions

Division: a specific contest, e.g., Advertising Weekly, Advertising Daily, Editorial Daily, Editorial Weekly or Photography

Category: a specific competition within a contest division, e.g., “Best Special Section” or “News Writing Portfolio” or “Sports Action” photo. Each category has specific requirements that are explained in the contest rules.

Entry: a submission in a category. The Photography contest does not limit the number of entries per category. However, this contest has an overall limit of 55 entries per newspaper.

## Preparing your entries

### Keep the Judges happy!

Don’t make them wait for your JPEGs to be displayed because a file is too large. Entries that the judges cannot view will be disqualified.

### Maximum entry size

Each entry should be less than 5 MB. Individual photos using the settings below are unlikely to reach this size. However, picture stories may exceed this limit.

### Reduce the size of picture story entries

For picture story entries, submit the key photos using the specs below. For the supporting photos, try reducing the DPI resolution until the entire package is no more than 5 MB.

### Photo settings

Submit your entries in JPEG format with the following settings:

- RGB mode for all photos, color and black & white
- JPEG compression quality set to 6
- DPI no higher than 250
- Longest side of image no longer than 10 inches
- Only one image per file

### Identifying photos

Use Photoshop's "File Info" to enter information about each entry:

- In the "Description" or "Caption" area:
  - Title: All photos and picture stories must have titles
  - Author: Photographer's name
- In the "Origin" area:
  - Give date the photo was taken – NOT the publication date.

### Photo captions:

Enter photo captions in the "Caption text" box on the website entry form:

- Enter the date published, followed by caption information the judges need to know about the photo.
- For picture stories, on the first picture, add a title and introductory paragraph about the entire entry.
- Photographer's name and affiliation must not appear in the "Comment" box.

### Naming entries

When uploading files, any filename may be used. The contest website uses information you entered (newspaper name, division, category, etc.) to assign a unique code to each file. These codes sort your entries into the proper circulation group, division and categories for judging.

## Making entries

### Headline or Title of Entry

Enter the same title for the photo or picture story as you listed in Photoshop. Do NOT include the name of the photographer.

### Credits

In the boxes labeled "Who should be credited for this entry?" you can enter up to four names of people who worked on the entry.

- In the box titled "First Name" list the FULL name: Joe Green
- In the box titled "Last Name" list that person's title: Photographer, etc.
- If more than four people worked on the project, enter: Photo Staff, etc.

## Official Entry Form

Once you have completed the entry form, click on the "Submit" button and you will be taken to the entry verification page, titled "This Page is Your Official Entry Form."

- From the verification page, you can "Submit Another Entry", "Manage Entries" or "Logout".
- DO NOT hit the Back button or you may eliminate this entry!

Once the maximum number of entries is reached in a category, that category is no longer available unless an entry is "disabled" using "Manage Entries".

You may print copies of the Official Entry Form for your use, but please do not send them to NJPA.

Please send NJPA the Contest Entry Form that is the last page of this brochure..
